Open Data
Wallonie-Bruxelles

This portal does not theoretically have any personal data (DACP).

As specified in the general terms of use, the Digital Agency acts as the technical operator of this portal, and cannot assume responsibility for the datasets, what they contain, including possible DACP within them.

Additional tool of the strategy Digital Wallonia, managed by the Digital Agency, the ODWB portal responds to the same general privacy policy that you can find here:

Digital Wallonia Privacy Policy.
